PROFESSIONAL EXPERIENCE

Bain & Company | Seoul, South Korea

May 2025 – July 2025

Associate Consultant Trainee | Consumer & Retail Group

- Performing analysis to support a 3-5-year growth strategy for Korea's #1 convenience store chain (33% market share), assessing store saturation and identifying high-return expansion opportunities, given increased competition
- Conducting nationwide trade area analysis by segmenting the country into 440,000 equal 500m x 500m grids and filtering non-developable land using Python and R-based geospatial processing to produce visualizations
- Benchmarking against other domestic and Japanese-based competitors (e.g., 7-Eleven, FamilyMart) by analyzing the responsibilities of store development teams and conducting expert interviews to define opportunities

Cateena Partners | Dover, DE

November 2024 – May 2025

Private Equity Analyst Intern

- Conducted sourcing by analyzing 200+ acquisition targets through comprehensive market research and financial analysis, drafting and presenting the Indications of Interest (IOI) and Letters of Intent (LOI) to target companies
- Assisted with comprehensive due diligence on acquisition targets by evaluating the bridge from Seller's Discretionary Earnings to EBITDA and net Cash Flow, and built a CRM database to enhance sourcing strategies

Yes Tax Firm | Seoul, South Korea

October 2025 – January 2026

Joint Venture & Transaction Advisory Intern

- Advised a leading Hong Kong-based online travel platform on dividend distribution strategy, assessing interim vs. year-end dividend scenarios to maximize distributable profits while ensuring capital maintenance compliance
- Evaluated withholding tax jurisdiction (Korea vs Hong Kong) and foreign tax credit considerations cross-border

LEADERSHIP AND PROJECTS

Student Council | Charlottesville, VA

September 2023 – Present

Appropriations Committee Director

- Oversee \$1M+ of student activity fees for 800+ UVA student organizations based on their annual budget needs
- Reviewed budget requests based on the guidelines for grant distributions and managed appeals through hearings
- Developed allocation rates combining base funding and percentage based adjustments, achieving 99% accuracy

Honor Committee | Charlottesville, VA

October 2023 – Present

Senior Educator

- Trained 87 incoming and current educators on UVA's honor system to promote understanding and adherence

Scholars of Finance | Charlottesville, VA

September 2023 – Present

President
